Where? Where? Wedgie! Expo - Hobart

Join us to find out what we've learnt so far from the first citizen science project to monitor the Tasmanian Wedge-tailed Eagle population. Share your own ideas and help us shape its future. Bringing the expert scientists, students and community together to share and celebrate hundreds of **'eyes to the sky'**.

Thursday 27th September, 4.15pm - 7.00pm

Centenary Lecture Theatre, Sandy Bay Campus, UTAS

Talks & displays by scientists, educators and participants including:

Dr Clare Hawkins, Bookend Trust | Dr Angela Dean, University of Queensland | Dr Stuart Newson, British Trust for Ornithology | Nick Mooney, Bird Life Australia Raptor Group | Dr Jim Lovell, University of Tasmania | Dr Joanne Potts (via video), Analytical Edge | Andrew Hughes & students, Expedition Class | Mark Cashmore, ProofSafe

Displays & discussions: 4.15pm - 5.00pm
Presentations: 5.00pm - 6.15pm
Displays & discussions: 6.15pm - 7.00pm

Drinks & snacks provided.
